

SPEEDY PLUS

REGGIPIANO con BLOCCAGGIO

SPEEDY PLUS

SHELF SUPPORT WITH LOCKING SYSTEM

Lo Speedy Plus è il nuovo reggiplano frutto della ricerca di Perin S.p.A. Esso include in un unico pezzo le funzioni richieste da un reggiplano ad incasso con bloccaggio anti sollevamento del ripiano stesso.

Speedy Plus is the new shelf support resulting from the research activity by Perin S.p.A. One single piece combines all functions expected from a built-in shelf support with anti-lift mechanism.

Basta solo il foro
Just drill the hole
